

1971 — '72 EDELIAN
Libbey High School
Toledo, Ohio

“... Yesterday Is But
Today’s Memory And
Tomorrow Is
Today’s Dream.”

For some the year was a beginning; for others it was an end. There were times of frustration as well as times of laughter and joy. But no matter what kind of year it was, one thing is certain, it was a year to remember.

Libbey’s curriculum kept in step with change by offering ecology and Mr. Thayer’s Human Relations class. A new, mellow sound was heard in the field house — the jazz band. Sure-shooting basketball tournaments, rewards, concerts in the halls at Christmas time kept the students’ spirit alive. These are just a few of the many memories we’ll have.

But that was yesterday and soon it will be tomorrow. There will be other times for remembering; now is the time for dreams.

No time for a lunch

Jeff Eilers caught by the camera

A draftsman of tomorrow?

Where's that awful screaming from?

Are goggles the "new thing" at Libbey?

Mr. Sweeney's class is so "camera shy"

Jeff Fellers and Doug Overh humming "up"

Two members of Human Relations

Gym means fun in a long day

Do these girls always study so hard?

Concentration is a skill needed in drafting

Sophomores take time out

Eager Freshmen Storm Libbey High

Freshmen are always willing to smile

Expressions vary when studying

Hard working cheerleaders get the crowd in a victory mood

Typical fresh

Caught "lying an excuse"

Home Ec is a favorite class among freshmen girls

Students make use of creative techniques

Hiding in lockers is one way

1971 Cowboy Footballers Use Their Best Laid Plans

Disaster struck the Cowboy Football Team as they suffered through their worst season in recent years. After tying a state power (Cuyahoga Falls) with a score of eighteen - eighteen, and easily defeating Start, eighteen-zip, the Cowboys proceeded to lose six straight. The offense which at times, showed signs of greatness, was constantly plagued by fumbles and penalties.

Picking up honors for the Cowboys this year were Wilbur Brown All City First Team, Robert Lawson All City Second Team and Ron Davis, Jerry O'Neil, Leon Pearson with All City Honorable Mentions.

Libbey's defense tries to stop the offense.

Coaches Jagodzinski and Kaifas have doubtful thoughts about the game.

The Libbey J.V. Team was small in size this year, but very big in heart. They went into almost every game as the smaller team but their desire to win proved to be too much for their opponents to handle. Coach Jagodzinski believes that if their desire and determination stays with them in years to come, he will see a great future for them in football at Libbey.

Libbey J.V. Basketball Team Has Successful Season

BLUE DIVISION CHAMPIONS! Once again, the young Cowboys surged to superiority in the Blue Division. Balance in scoring, speed, and rebounding strength accounted for a fine record of 13 wins and 4 losses. Freshman pivot Allan Chapman displayed tremendous rebounding strength and has great potential. He received much help from Darryl Ham, Ralph Bennett, and Ernest McClendon. Leading scorer David Coley was assisted in the backcourt by Kenny Waters, Tony Baccus, and Norm Reed. The team shows great potential for future basketball greatness at the varsity level.

Freshman Basketball Team Tastes Fruits of Victory with 10 Wins — 5 Losses

The Libbey freshman team concluded another successful season posting a 10 win, 5 loss record. The highlight of the season was their 4 game win streak, included in that exciting 46 — 43 overtime win over Central. Sterling Burgess, Tony Williamson, Izell Nelson, Richard Arrington, and Shelton White were the most consistent performers throughout the season and contributed to the team's success. Through their hard work, these players and the rest of the team can be counted on to maintain the Libbey tradition of winning and exciting basketball.

Grapplers Have A Trying Season

A complete wrestling team consists of 12 stylish, well-dressed men. Libhey does have style, but this year, we lacked the 12 men. At the most this year, our wrestling team has consisted of 6 eligible young men. Embarrassment came about the majority of the season because we could not produce the needed individuals. We scored points at dual and triangular matches but had to accept defeat, giving our opponents easy wins due to a 36 point forfeiture penalty.

Baseball Team Faces Tough Season

With a Sophomore-Junior dominated line-up, Libbey's Varsity Baseball Team suffered through a disappointing 4 — 11 season in 1971. During the season, however, there were many bright spots. Tommy Meadows pitched a no-hitter as the Cowboys bombed Scott 13 — 0. Senior Tony Hague hit well over .500 in City League competition. Ron Jeziorowski pitched a no-hitter against Macomber and then beat Waite 5 — 1 in the last game of the season. In a three game span, Ron pitched 19 of 21 innings Libbey played. Junior Jerome Harris played steadily as catcher and hit over .300 in the city as did Jim Valerius. Coach Cole and Coach Kaifas hope for much improvement this year with the nucleus of last year's team back this spring.

"A Good Place to Live"

Fiberglas cord is making tracks.

These tough glass fibers from Owens-Corning add safety and performance to tires on the latest new Detroit cars. They form the fabric in the Apollo space suits from temperature and fire.

And Fiberglas' reinforcements put strength and durability into a majority of pleasure boat hulls built today. In fact, it's estimated there are more than 33,000 ways Fiberglas materials can profitably replace metals, wood or cloth. They're already in many of these uses right now, moving fast.

You could make tracks at work, too. There are hundreds of opportunities. For information, write us Owens-Corning Fiberglas Corporation, Fiberglas Tower, Toledo, Ohio 43659.

DON'T SELL BUSINESS SHORT

You hear a lot of talk these days about the business world being a pretty dull, humdrum place. Some say it offers no really meaningful challenges. No opportunities for individual expression. Law, medicine or the Peace Corps perhaps. But not business.

Don't you believe it! American business today is a highly demanding institution. With plenty of room for personal contribution and growth. And if you feel strongly about man's social responsibility—business offers a unique opportunity for self-expression in this area, too.

Most likely you have further schooling ahead of you. But that day of decision on your long-term future is coming sooner than you realize. If when it arrives you've established a record of good grades and participation in extracurricular activities—think seriously about the rewards of a career in business—with us.

The Beginning for Some, the End for Others.

Good clean fun at the park.

I told you to leave me alone, Roger!

Mildred and Janeanne, ready to greet voters.

Call on me, Mr. Sweeney!

You can do it if you try!
